- ▶ **Effective Communications**

COACHING BACKGROUND

Andrea developed her coaching expertise at the Hudson Institute of Coaching after a 27 year career as a management consulting. She has deep business experience with assisting clients through substantial business transformations as well as rich experience in the change management process that is required to make those shifts. Her experience and expertise in the behavioral psychology behind coaching provides her with a health perspective on how to support leaders through significant transitions in their personal and professional life.

Representative coaching assignments include:

- ▶ CEO, Retail Electricity Provider
- ▶ CIO, Global Oil & Gas Company
- ▶ Managing Director, International Bank
- ▶ SR Director, Healthcare
- ▶ EVP, Utility Company
- ▶ Managing Director, Professional Services Company
- ▶ SR Director Business Transformation, Foodservice Distribution

BUSINESS EXPERIENCE

Andrea has an extensive consulting background in Energy, Financial Services, Healthcare, Consumer Products, and Professional Services organizations. Projects have included Strategy, Operational Improvement, Systems Implementations, and Merger & Acquisition integration. She works with individuals and teams to improve performance and to manage change.

Previously, Robert served as Partner at Arthur Andersen and Managing Director at BearingPoint. Andrea is also on the board of directors at Newspring, a not-for-profit that focuses on economic development in the Spring Branch area of Houston.
